

# Sound Advice For Eye Safety

This wonderful card reaches your employees with a timely, educational and motivating message about eye safety.

The CD can be listened to on their ride home, at home or even at their work station. Featuring four full length songs about eyes, the message in between each song reinforces the eye safety education they need to know.

*Remember: Study after study indicates people remember more of what they hear, than what they read.*

## March Is Eye Safety Month

Branded with your safety message in the card and on the CD face

### **Special Price [C]:**

***\$3.25 per card***

Four popular songs relating to eyes. Between the songs are reminders of good eye safety habits. It is fun and reinforces your safety message. Turn this promotion interactive by adding the Eye Quiz to your card at no extra cost. Ask for details.
