

In a Sea of Pink- one thing will float to the top this year..

Just about every promotional product turns pink for October, but this one is fresh, new, exciting and will stay with a person 24/7.

This is an opportunity to be the first to raise funds and awareness with something that will be used over and over again...and not take its place in the drawer.

Personalize your promotion with a "Backer Card." Printed 4/1, this card can say thank you or have any other message. We'll put your custom 4-color art on the front, while instructions for use are on the back.

Something I never knew I needed... and couldn't live without!
