

How To End A Safe Year How To Begin Another Safe Year

Holiday Safety

A GREAT REMINDER

The holiday season may well be the most dangerous time of the year to be on the road with long family trips, late night driving on a full stomach, wintery roads and too many people driving over the legal limit for alcohol. This is a perfect reminder to "be safe".

This special CD greeting card was created just for safety programs. The 5"x 7" card is appropriately designed with a snowman standing in front of an open fire. The message is clear on the cover and inside the card. Inside the card is either a stock or custom verse with your imprint. Add your name, logo, safety theme or any other information you want in full color.

The CD is a festive presentation of everyone's favorite holiday music to keep for many years and enjoy each season. A \$10 retail value.
