

CHRISTMAS IN THE SUMMER SELF PROMOTION

CHRISTMAS IN JULY & AUGUST ?

The summer is here and that means business slows down, unless you're a proactive distributor who wants to get holiday business now. Here's Soundline's self promotion greeting card to help you stimulate holiday sales in the summer. Low cost, easy to mail and bound to get you appointments with a mailing and follow-up call.

Listing of products

We know it's the dead of summer and Santa's off surfing at the beach, but we're moving closer to the holiday season every day. How many years have you promised yourself to get this annual job done early?

**We're proud to announce:
The 2006 Holiday Gift Collection**

Now available for
Preview & Private Consultation

We would like to get a few minutes of your time as your gift consultants to view carefully selected best sellers, the newest gift ideas, new tech toys, other exciting ideas and discoveries.

Why now? We can save you money with early bird specials, save you time and save you the annual hassle associated with ordering holiday gifts, cards and more.

We'll be giving you a call, but feel free to set aside a few minutes and tell us when it is best to visit with you.
