My Safe Driver Pledge
 I respect the lives of my friends, my family, people driving on the road and myself.
 I understand that being a distracted driver can cause accidents to others.
 I pledge never to text or use a cell phone while driving.
 I will be ever vigilant about safety in my car using seat belts and obeying driving laws.
 I stand that, no matter how capable a driver I am, accidents happen and I can die if I do not drive safely.
 I give this pledge to myself and to all those on whose lives I am directly responsible for.

Instructions for Use
