

Take The Pledge

*I Won't Text
While Driving*

Ripped From Recent Headlines

My Safe Driver Pledge

I respect the lives of my friends, my family,
people driving on the road and myself.

I understand that being a distracted driver can
cause life threatening accidents to myself and
others in my car
and people on the road.

I pledge never, ever to text or use a cell phone
while driving.

I pledge to be vigilant about safety in my car
including
using seat belts and obeying driving laws.

I understand that, no matter how capable a driver
I think I am, accidents happen and I can die.

I make this pledge to myself and to all those
on the road for whose lives I am responsible.
