Thumb Cards For Thumb Bands

Everyone wants to import bands for you, so do we. However, having stock available is the differentiation you need. Red (warning) and yellow (caution) bands are in stock ready for shipping or mounting on a thumb card.

- ✓- Choose from three stock designs.
- ✓- Get FREE design service for a custom card.
- ✓- Use our "driver's pledge" on side two.

Stock thumb bands are not imprinted, so what's a marketer to do about branding? Custom thumb cards do it. Cards are printed in 4/1 colors with stock or custom graphics and logos. Each band is held in place with a thumb cut. Branding is on the front and an anti texting pledge is on the back of each card.
